

Social Story

 I  am not  going to school.

 I  will  learn  from home  and that  will  be different.

 It's ok if  I  feel sad  about not  going to school.

 I can  see  my  teachers  on the iPad,  phone or  laptop.

 I  will  watch  story time  and  practise writing.  I  will

 listen  to the  Maths  song.  This will  be the same.

 Soon  I  will  go back  to school  and meet  my  teachers.
