KEEPING IN TOUCH – SPRING WEEK 3

Friday 22 January 2021

Dear Parents and Carers,

I hope that you are all keeping well.

I would like to say a massive thank you to all of our parents and carers for their engagement and feedback on our Remote Education so far. We continue to review and update our provision based on the feedback we get from parents, carers, pupils and staff.

Taking this on board, we have a few updates to share with you all.

Remote Education

We understand and appreciate that it has been tricky for us all to familiarise ourselves with Google Classrooms, but thanks to the perseverance of our parents and carers, pupils, teaching staff, support staff and the admin team we are now confident that the system is working very well.

We have all been so impressed by the quality of work submitted by our pupils, the resourcefulness and creativity has really blown us all away. We understand it has not been easy for our families, many of which are also working from home whilst home schooling. We commend each and every one of you for working so hard to support and keep your child on track in making progress in their learning.

Changes to Google Classrooms

We have listened to the feedback and have made some updates to ensure the classrooms are as child friendly as possible. From Monday 25 January, instead of the lessons being split into subject names, they will be sorted by day. Therefore, all the lessons your child will need to access will be found under the relevant day.

Pupils both in school and at home have been really enjoying the live assembly sessions. Therefore, we feel it is important to timetable in a short, live check-in session every day to allow staff to go through the structure of the day and most importantly allow the pupils to connect with one another. These will be included in your year group timetables from Monday 25 January at the following times:

Year Groups	Time of daily live check-in
Nursery and Reception	9.00
Year 1 and 2	8.50
Year 3 and 4	9.10
Year 5 and 6	9.20

Devices

We sent out a survey at the beginning of term to assess the number of devices families could access. Thank you all for completing this. We have loaned devices to those households who identified that they had no access to a device. I can now confirm that every household has access to at least one device.

FSM Vouchers

Families receiving FSM vouchers, should all have collected their first set of vouchers by now. We will be contacting you shortly to arrange collection for the next set of vouchers.

Please do remember to contact the school office should you have any problems or send an email to admin@cyriljackson.towerhamlets.sch.uk.

I would like to take this opportunity to thank every member of our school community for their support, commitment, hard work and resilience during these challenging times. We have all in one way or another had to step out of our comfort zones and learn new ways of working together.

It truly does take a village to raise a child.

Kind regards

Hodo Dirir
