## YEAR 6 RESIDENTIAL TO MAGDALEN FARM 7-11 NOVEMBER 2022

Monday 18 January 2022

Dear Parents/Carers,

We are very excited to be able to offer a residential trip to Magdalen Farm (Chard) for all current Year 5 children from **Monday 7 November 2022 until Friday 11 November 2022**. This is a one off incredible experience that your children will never forget.

The children will spend 4 nights and 5 days at Magdalan Farm; coaches have been booked to transport the children to and from the farm.

During their stay, along with the invaluable experience of being away from home, the children will enjoy various physical activities to support and develop their team-building skills. Activities enjoyed this year included: orienteering, hands on farming, low ropes challenges and even a visit to the beach! Evening activities, including a disco were also a highlight. These enrichment experiences will develop the children's social and emotional wellbeing as well as providing them with life-long memories.

The subsidized cost of this trip will be **£150.00** per pupil. This payment will cover transport costs, full-board accommodation for the week and a full programme of activities, including the visit to the beach. We recognise that the cost of the trip is significant however this trip is being heavily subsidized by the school, this means the school will pay for the majority of the trip.

To further support our parents, we will be setting up different payment options on Parent Pay. You will be able to pay in instalments over the next six months, or, alternatively, pay in a single transaction if you so wish.

We will be holding a meeting in February to give parents and carers more information regarding the residential trip. This will be an opportunity for you to ask any questions you may have as well as receiving key information.

Yours sincerely,

Mrs Williams, Ms Nizami and Miss Kassam  
Year 6 Class Teachers
