Dear Parents & Carers...

We want to make the transition to the new year as smooth as possible for your child. You can support this by:

- Ensuring that they have the correct uniform and that all their clothing is labelled with their name. 
- Encouraging your child's growing independence - letting them sort out for themselves the items they will need for school such as lunchboxes, coats and shoes etc.
- Listening to them read, or asking them about the books they are reading and encouraging them to read every day. 
- Practising maths skills in a friendly and informal way - number games, mental arithmetic and times table facts.
- Encouraging and supporting them to do their homework by themselves. Remember it's their homework not yours.
- If you have any questions or if you or your child have any worries — no matter how small — please come and let us know. 

We are always happy to listen, so please just pop in and ask!
