

Article 23:

Children who have any kind of disability should have special care and support, so that they can lead full and independent lives.

On Monday 6th May 2019, at 5.26am, Meghan Markle gave birth to baby Archie Harrison Mountbatten-Windsor. Baby Archie is now Queen Elizabeth's 8th great-grandchild and is now 7th to the throne! Weighing 7lbs and 3oz (3.2kg), Archie is a healthy baby who has already broken several royal family traditions!

1. He is the first royal baby who didn't appear in public right away.
2. He is the first royal baby whose birth was announced on Instagram.
3. He is the first royal baby to live in Frogmore Cottage on the Windsor Estate.

Bonus fact:

Archie is the first 'British American' baby born into the royal family. He is also able to get American citizenship!

Our lovely Ms Dover had a very busy two weeks teaching the whole school how to sign and sing along to 'The Greatest Day' by Take That – a popular band very well-known to many. Last week we all performed it together in assembly. It was truly a pleasure to see everyone enjoying themselves while performing; even some of the teachers joined in! It is so important that we learn how to sign words as this is a form of communication for many people.

Golden Table

Well done to all the children who were selected to dine at the golden table due to their excellent manners.
 "I feel relaxed and I like the new set-up." said a Year 3.
 "I feel glorious!" said a Year 4.
 "I feel very proud of the children and I love being a waitress. I've never been one before. Maybe they could add gold stickers." said one of our waitresses.

Some children shared their experiences about achieving a certificate to mark their achievements this week.

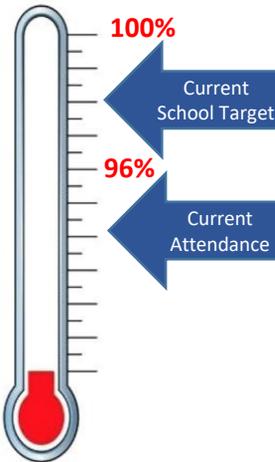

"I feel very proud to have been awarded a certificate".

'I love getting certificates as I like sharing my achievements with my parents'.

A special well done to one of our journalists!

ATTENDANCE LEADER BOARD

Well done to the following classes who achieved 98% or above: Rowan and Willow. These classes will earn extra play as a reward.

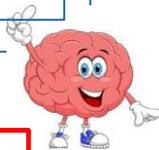

The whole school attendance this week is very disappointing, our whole school target is 98% and this week our attendance is 94%. Next week, we all need to work hard to ensure that we are in school every day on time.

Tongue Twisters

How much wood would a woodchuck chuck if a woodchuck could chuck wood? He would chuck, he would, as much as he could, and chuck as much wood as a woodchuck would chuck wood if a woodchuck could chuck wood.

Brain Boggles

What grows when you feed it but die when you give it a drink?

If you multiply this number by any other number, the answer will always be the same. What number is this?
