I will be learning...

COMMUNICATION & LANGUAGE AND LITERACY

We will be building on children's phonics knowledge from Nursery and also encourage them to read and write independently. We will be focusing on 'Homes, Food and Festivals', and talking about the local community. Please ensure your child brings their book bag into school every day and that you write in their reading diary every week.

MATHEMATICS

We will be developing our knowledge of numbers from Nursery. Children will be learning correct number formation and recognising and ordering numbers. Children will use the outside area to focus on problem solving and we will be learning more about shapes and positional language.

UNDERSTANDING THE WORLD

We will be exploring different types of homes in our local area as well as visiting the Tower of London as part of our theme. We will be exploring change, particularly linked to ourselves, our environment and changes we have experienced during transition from Nursery to Reception.

EXPRESSIVE ARTS AND DESIGN

We will be constructing our own homes out of a range of materials. We will also be exploring rhythm-making with a range of instruments and learning songs for various celebrations.

COMPUTING

We will be building on the children's existing ICT skills by developing their mouse skills and encouraging their independence when using age-appropriate software.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

Please encourage children to be as independent as possible when they arrive at school. Within the classroom they will be working hard to follow the rules of the setting and build new friendships.

PHYSICAL DEVELOPMENT

We will be improving our spatial awareness and motor control. Children will be learning and following rules and using both indoor and outside spaces. We will have P.E. every other week on a Monday, starting from the 8 September.
