Dear Parents & Carers...

We want children to make as much progress as possible in the Autumn Term. You can support this by:

Ensuring that they have the correct uniform and that all their clothing is labelled with their name.

Encouraging your child's growing independence by letting them come into the classroom and hang up their belongings by themselves.

Listening to them read, and asking them questions about the text every day.

Practising numeracy skills such as number bonds to 10, telling the time, money and addition and subtraction methods.

Working with your child to complete their maths homework each week.

If you have any questions or if you or your child have any worries, please come and let us know - no matter how small.

We are always happy to listen, so please just pop in and ask!
