We will be learning...

LITERACY

Children will have the opportunity to read Aesop's Fables and have a go at writing their own.

The children will be entering the mythical world of monsters and beasts. They will be designing their own monster and writing a non-chronological report about it. As always we will be immersing children in a range of stories and literature and hope that you will do the same at home!

NUMERACY

During our math's lessons, we will be looking at combining amounts as well as solving simple problems with money.

During our shape unit we will be identifying and describing properties of 3D shapes. We will also be looking at fractions. Each Friday there will be a mental math's test.

TOPIC

Our topic this term is Animals and Humans where the children will be investigating and exploring. This will include looking into the differences between species and how humans change over time. We will be visiting Asda to explore different types of food. In Spring 2 the topic is Plant Life. We will be exploring different plants and how we know they are living. Ask your children what they can tell you about how plants grow!

Computing We will be learning to use databases to sort and classify and to present data in graphs. The unit is called 'We are Zoologists'.

Music Children will be enjoying our weekly singing assemblies and be taught drumming skills within class.

RE This term we will be learning about what it means to belong to a faith community.

PSHE Children will be exploring the topic of 'Me, my family and friends.'. They will be exploring families and how to build on new and existing relationships.

ART & D.T. We will be designing and creating our own book covers for our fables. We will also design and make our own salads.

P.E. This term we will be using apparatus in gymnastics and practicing skills to play games in PE.

CLUBS There will be an exciting main after school club where children will have the opportunity to take part in a range of activities from board games to football, archery and more. Clubs are a great way for your child to meet new friends and have a go at something new.

Trips planned...

Year 2 hope to take the children on a marble treat! We will also be taking the children on a trip to a local supermarket so children can choose foods to make a balanced meal.

If you have any questions, we are always happy to listen, so please just pop in and book a time to chat!
