## Attendance celebrated

**CYRIL Jackson Primary School in Limehouse held a special assembly on Friday, December 16 to celebrate the exceptional attendance record of its pupils.**

Continuing last year's achievement of raising pupil attendance to 96.1 per cent – the highest in Tower Hamlets – the school awarded certificates to pupils for record levels of attendance during the first term of this academic year.

Some 150 pupils received a gold award for 100 per cent attendance and a further 169 received silver awards for 95-99 per cent attendance.

Barclays Capital has supported the school by buying rewards and prizes to encourage high attendance.
