PUPILS at Cyril Jackson Primary School in Wapping staged a celebration to celebrate Black History Month. Showcasing art, music, historical investigations, performing arts and cookery, the show was produced by the children themselves. Professional hip hop dancers taught children and parents a routine, a local steel band performed classic songs, food was shared and pupils demonstrated their African drumming skills. Limehouse & Poplar MP Jim Fitzpatrick joined in with the celebrations and congratulated the staff and pupils on a remarkable event.
