1. Definitions

The "Trust" refers to the company known as the University Schools Trust, East London and all Trustees, Governors and Staff who work within it.

"The school" refers to an individual academy within the Trust, as denoted by their Unique Reference Number. As such a 'school' may span one or several phases of education to the individual academies within the Trust. Depending on the context the term "School" may refer to a singular academy or to all of the academies within the Trust but as separate entities.

"Schools" have a legal duty to work in partnership with families and to involve all those with parental responsibility in their child's education.

"Charge" refers to a fee payable for specifically defined activities.

"Remission" refers to the cancellation of a charge, partly or wholly, which would normally be payable.

"Optional Extra" refers to education or activities for which the school is permitted to charge under the Education Act 1996 and associated statutory guidance. Optional extras may include activities provided wholly or mainly outside school hours that do not form part of the National Curriculum, Religious Education or a prescribed public examination syllabus.

2. Scope of the Policy

Cyril Jackson is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school trips, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

The school will apply this policy fairly, consistently and transparently, ensuring that financial considerations do not unnecessarily prevent pupils from participating in educational opportunities wherever reasonably practicable.

The school will:

- Never charge for education provided during school hours.
- Inform parents on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions towards the costs of school visits.
- Ensure that this policy is published on its website and provides the school community with details of activities for which the school will charge parents, and the circumstances in which they will waive any charge parents would otherwise expect to pay.
- Ensure that charges are applied consistently, reviewed regularly and communicated clearly to parents and carers in advance, wherever possible.

4. Roles and Responsibilities

4.1. Governing Body / Trust

The governing body / trust will be responsible for:

- The management of the school's delegated finances
- Ensuring the school acts in accordance with this policy at all times.
- Ensuring money is spent for the educational benefit of pupils attending the school, and for the benefit of pupils in other schools.
- Recognising its legal requirements regarding charging for school activities under the Education Act 1996 and meeting all additional guidance provided by the DfE.

4.2. Headteacher

The headteacher will be responsible for:

- Prioritising and allocating financial resources appropriately, ensuring efficiency, effectiveness and probity in the use of public funds.
- Informing parents on low incomes and in receipt of specific benefits of the support available to them when being asked for contributions towards the cost of school visits.
- Liaising with parents and staff regarding any charges being applied and making decisions regarding appropriate remissions on a case-by-case basis.

Finance and Statutory Compliance Manager

The finance and statutory compliance manager will:

- Process and record payments for activities, taking into account any remissions applied.
- Ensure that the correct invoices are sent to parents, and that payment is received.

5. Charging for Education

The Trust aims to ensure that no child is excluded from an activity because the child's parent or carer is unable or unwilling to pay.

Where charges are permitted, they will be reasonable, transparent and reflect the actual cost of providing the activity or service, unless otherwise determined by the Trust or Governing Body.

The school will apply charges in accordance with the Education Act 1996, relevant statutory guidance issued by the Department for Education (DfE), the Trust's Funding Agreement and this policy.

Education within school hours is provided free of charge. A charge may be made for activities which take place partly or wholly outside school hours, to supplement and support formal learning in curriculum areas and to provide further experiences to enable children to develop their full potential.

The school will not charge for admission applications.

The School will not make any charge for books, instruments, equipment and materials for use in connection with education provided within school hours. Parents/carers may occasionally be invited to provide or buy particular items on a voluntary basis (e.g. book bags).

Normally all ingredients and materials are provided by the School. However, in cases where a child wishes to retain the finished products, a small charge may be made, at the Headteacher's discretion.

The school may charge the replacement cost of lost or intentionally damaged books, reading records, homework books, library books and other educational resources issued to pupils.

Where school property or equipment is deliberately or negligently damaged, the school may seek reimbursement for the reasonable cost of repair or replacement at the discretion of the Headteacher.

Where charges apply, parents and carers will normally be notified in advance and provided with details of the activity, the amount payable, payment deadlines and the methods of payment available.

Parents/carers are asked to provide school uniform. Jumpers and cardigans with the school logo can be purchased from the school or directly from the supplier. See appendix for price list. The school also permits the purchasing of royal blue jumpers or cardigans from any high street store or clothing outlet.

All children in Year 1 to Year 6 take part in group music lessons where a musical instrument is taught (Year 1-2 drumming and Year 3-6 guitars). Additional individual music tuition will incur the same costs as other school clubs. Parents /carers may also be asked to provide, or contribute to the cost of, musical instruments, music scores and associated items.

The school may charge for materials, books, instruments or equipment, where the child's parent wishes their child to own them.

The school may charge for the provision of information within the scope of freedom of information.

Any refunds relating to charges paid will be managed in accordance with Section 18 of this policy.

6. Optional Extras

The school may charge for education provided outside of school time that is not:

- Part of the national curriculum.
- Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
- Part of RE.

The school may also charge for the following:

- Examination entry fees where the pupil has not been prepared for the examinations at the school.
- Transport, other than that required to take the pupil to school or to other premises where the trust board has arranged for the pupil to be provided with education.
- Board and lodging for a pupil on a residential visit.
- Extended day services offered to pupils, e.g. breakfast or out-of-school provision.

Where charges apply, parents and carers will be informed in advance of the nature of the activity, the amount payable and the basis on which the charge has been calculated.

When calculating the cost of optional extras, an amount may be included in relation to the following:

- Materials, books, instruments or equipment provided in relation to the optional extra.
- Buildings and accommodation.
- Non-teaching staff, including Tas.
- Teaching staff under contracts for services purely to provide an optional extra.
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument, where the tuition is an optional extra.

Charges will be reviewed periodically to ensure they remain reasonable, proportionate and reflective of the actual cost of providing the activity.

Charges applied will not include an element of subsidy for any pupils wishing to participate but whose parents are unwilling or unable to pay the full charge. In cases where a small proportion of the activity takes place during school hours, the school will not charge for the cost of alternative provision for those not participating.

The school will not charge for supply teachers to cover for teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges; therefore, parental agreement is a prerequisite for the provision of an optional extra where charges will be made.

If a charge is to be made for a particular activity, such as optional extras, parents will be informed of how the charge will be calculated.

Where appropriate, the school may offer reasonable payment arrangements for higher-cost activities. Parents and carers experiencing financial difficulty are encouraged to contact the school in confidence to discuss the support that may be available.

7. Charging for School Meals

School meals are available to pupils at a cost of £1.90 or at no cost to those in receipt of FSM entitlement.

School meal charges will be reviewed periodically by the school and parents will be notified of any changes in advance. Current charges are published on the school's website and communicated directly to parents and carers.

Payments will be expected from parents for school meals in arrears, no later than one week after the payment has been applied on Parent Pay. Payments can be made weekly, fortnightly, monthly or when the account nears zero. Payment can be made using our online payment system (Parent Pay) Where a pupil's meal has been paid for in advance and they are absent on the day of the meal, the amount paid will be credited towards a future meal.

7.1. 6.1 Free School Meals

The school will provide free school meals in accordance with national entitlements and any additional local authority funded schemes that may apply. Currently, LBTH and the DfE provide universal free school meals to pupils in Reception, Year 1, Year 2, Year 3, Year 4, Year 5 and Year 6 who attend a state funded school in the borough. You do not have to do anything for your children to receive free meals at school. Nursery pupils do not receive universal free school meals and must pay for their meals.

There is a statutory right to FSM for families who meet certain criteria. It is important that all parents who qualify take up their entitlement so that their child can receive a school meal each day.

Parents who receive one or more of the following support payments will be entitled to receive FSM (assuming the parent does not receive working tax credit):

- Universal Credit
- Income support
- Income-based jobseeker's allowance
- Income-related employment and support allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of pension credit
- Child tax credit (provided they are not also entitled to working tax credit and have an annual
- gross income of no more than the current threshold)
- Working tax credit run-on – paid for four weeks after they stop qualifying for working tax credit

A pupil will only be eligible to receive FSM when a claim for FSM has been made on their behalf and their eligibility has been verified by the school. Parents will take responsibility for ensuring that they have claimed FSM for their child and will be aware that the entitlement to FSM cannot be backdated.

The school will check the eligibility of all applicants for FSM, working with the LA wherever necessary, and will record the date on which they receive the initial application for FSM from a parent and the date on which eligibility is verified. Eligibility checks are carried out promptly to ensure that the most accurate and up-to-date information is being used.

School meals should be paid for using the school's approved payment system. Parents and carers are expected to maintain sufficient credit on their child's account or make payment in accordance with the school's published arrangements.

Where payment arrears arise, the school will work with parents and carers to recover outstanding balances in accordance with the Debt Recovery Policy.

8. Uniform

The school aims to ensure that its uniform requirements are affordable, inclusive and represent good value for money, in accordance with statutory guidance on the cost of school uniforms.

Parents and carers are expected to provide school uniform in accordance with the school's published uniform requirements. Logo jumpers and cardigans may be purchased through the school's approved supplier. Parents and carers may also purchase plain royal blue jumpers and cardigans from retailers of their choice.

Good quality second-hand uniform is available from the school at a reduced cost.

Families experiencing financial hardship are encouraged to contact the school in confidence to discuss the support that may be available.

9. Exam Fees and Resits

The school may charge for examination fees if:

- The examination is on the set list (which includes SATs), but the pupil was not prepared for it at the school.
- The examination is not on the set list, but the school arranged for the pupil to take it.
- A pupil fails, without good reason, to complete the requirements of any public examination where the governing board or LA originally paid or agreed to pay the entry fee.

Where a pupil is entered for a second or subsequent attempt at an examination, the school will pay the fee. Once pupils have left the school, resits must be taken at the school.

If a pupil or their parent consider it to be in the best interests of the pupil to request that an examination is re-marked, any fees involved will be covered by the pupil or their parent. If the awarding body changes the overall grade of the result, the school will not be charged by the awarding body and the parent or pupil will have their fees refunded.

10. Voluntary Contributions

The School will normally ask for a voluntary contribution for board and lodging, as well as travel, for those pupils involved in residential journeys. All other costs of the journey will be borne by the School as the residential journey is a part of the school curriculum and is taking place in term time; this is in line with sections 29-35 of DFE Circular 2/89.

The school will at its discretion offer a discounted rate, depending on parents' financial circumstances. No child will be prevented from taking part in a residential journey because parents are unable to pay. However, the trip may be cancelled if insufficient contributions are made.

At Cyril Jackson School we understand the importance of providing our pupils with quality educational visits to extend and enhance their learning experiences. Although some of these trips are free (to both school and therefore parents), in order to provide the very best range of experiences throughout the child's time at our school, some may incur costs.

As the school budget is unable to cover these costs and in order to make these trips both possible and sustainable, parents/carers will be asked for a voluntary contribution to cover the full cost of day visits arranged for individual classes. No child will be prevented from taking part in the outing because parents are unable to pay. However, if there are insufficient contributions the activity may have to be cancelled. This will be made clear to parents in the letter advising details of the activity.

The school will strive to ensure that parents do not feel pressurised into making voluntary contributions. Measures which may make parents feel pressured, such as colour coded letters and direct debit or standing order mandates, will not be sent when the school requests contributions.

11. Music Tuition

Instrumental and vocal music tuition is an exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any

size – provided that the tuition is at the request of the pupil's parents. The charges will not exceed the cost of the provision, including the cost of the staff providing the tuition.

Charging will not be made if the teaching is an essential part of the national curriculum.

Charging will also not be made if the teaching is provided under the first access to the KS2 Instrumental and Vocal Tuition Programme.

No charge for music tuition will be made in respect of pupils who are LAC.

12. Transport

The school will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the governing board or LA has arranged for pupils to be educated.
- Transporting pupils to meet an examination requirement when they have been prepared for the examination at the school.
- Transport provided for an educational visit.

13. Wrap Around Care

Parents/carers will be asked to pay a charge for their child to attend a before or after school club or to take part in extended school activities.

The Headteacher is responsible for determining the charges for attendance at before or after school club activities or extended school activities subject to approval by the School Committee. Such charges will be reviewed by the School Committee annually.

The level of charges will be set to cover some of the cost of the provision of the activities, but never set to make a profit.

Please see appendix 1 for the current charges applying for before and after school activities and for extended school activities.

All charges must be paid in full (half-termly) prior to the children attending all clubs (including breakfast club). Under exceptional circumstances, children will be admitted with the consent of the Headteacher.

The Trust has agreed a policy for Lettings Regulations & Conditions of Hire, please see Lettings Policy (September 2026).

The Trust will ensure that all costs that should be recouped are received. Examples could include tuition costs of pupils where another local authority is responsible for the cost of the child's education, staff meals and staff telephone calls.

14. Additional Bought Sessions and Charges for Nursery Provision

The school delivers funded early education and childcare in accordance with the requirements of the Childcare Act 2006, the Childcare Act 2016, the Department for Education's statutory guidance Early Education and Childcare (latest version), and the funding arrangements and operational guidance issued by the London Borough of Tower Hamlets.

Eligible children are entitled to access funded early education in accordance with the statutory funding arrangements in place at the time. Funded early education places will be provided completely free at the point of delivery, and parents and carers will not be required to pay mandatory charges as a condition of accessing their child's funded entitlement.

Before a funded place commences, parents and carers must complete and sign the Local Authority's Parental Declaration Form confirming the agreed pattern of attendance and funded hours. A new declaration must be completed where attendance patterns, funding arrangements or family circumstances change, or where required by the Local Authority for audit or funding purposes. The school will retain completed declarations in accordance with Local Authority requirements and its Data Protection Policy.

Where funded childcare is subject to eligibility criteria, parents and carers are responsible for obtaining and maintaining a valid eligibility code, providing this to the school within the required timescales and reconfirming their eligibility with HMRC where required. Failure to maintain eligibility may affect a child's funded entitlement and any associated charges for additional sessions.

Where a child accesses funded early education with more than one provider, parents and carers must accurately declare the funded hours claimed at each setting to ensure that the child's funded entitlement is not exceeded.

Parents and carers may choose to purchase additional nursery sessions beyond their child's funded entitlement. Charges for additional sessions will be determined by the school, reviewed periodically and communicated to parents and carers in advance.

Where meals, consumables or additional services are offered outside the funded entitlement, these will be entirely optional. Parents and carers will be informed of any associated charges before they are incurred and will always be able to access their child's funded entitlement without being required to purchase additional goods or services.

The school will support eligible families to access additional funding, including Early Years Pupil Premium (EYPP) and Disability Access Funding (DAF), where applicable.

Charges for additional nursery sessions and any optional services should be paid using the school's approved payment system. Where payment arrears arise, the school will work with parents and carers to recover outstanding balances in accordance with the school's Debt Recovery Policy, seeking to agree reasonable payment arrangements wherever possible.

Parents and carers experiencing financial difficulty are encouraged to contact the school in confidence at the earliest opportunity so that any available support can be discussed.

Additional nursery sessions (12:00pm–3:30pm) are subject to availability and will be allocated in accordance with the school's Nursery Admissions Policy. Government funded sessions will be allocated before additional bought sessions are offered.

Additional bought sessions are charged at the published rate determined by the school. Charges are reviewed annually and communicated to parents and carers in advance.

Additional sessions must be booked in advance through the school office and payment must normally be received before the sessions commence. Parents and carers wishing to cancel regular additional sessions must provide one month's written notice. Where the required notice is not provided and the place cannot be filled, the school reserves the right to charge up to one month's fees.

Ad hoc sessions may be available subject to capacity and operational requirements. These must be booked through the school office and paid for at the time of booking.

An Advice of Charge letter will be issued in advance confirming the sessions booked, the amount payable and the payment deadline. Where appropriate, reasonable payment arrangements may be agreed at the discretion of the school.

Fees remain payable where a child is absent due to illness or other short-term absence, as the school's staffing and operational costs continue. In exceptional circumstances, such as prolonged absence due to serious illness, any refund will be considered at the discretion of the Headteacher.

Sessions cannot normally be exchanged for alternative sessions. Additional sessions may be purchased at short notice where availability permits.

Where payment has not been received by the agreed deadline, the school will contact parents and carers to discuss the outstanding balance. The school reserves the right to withdraw additional bought sessions until payment has been received, in accordance with the school's Debt Recovery Policy.

Government funded nursery sessions may be cancelled at any time. Where a funded attendance pattern changes, parents and carers will be required to complete an updated Parent Declaration Form and any other documentation required by the Local Authority. Vacated funded places will be allocated in accordance with the Nursery Admissions Policy.

Childcare vouchers and other approved childcare payment schemes accepted by the school may be used to pay for additional bought sessions.

Further information regarding nursery provision is available in the Nursery Admissions Policy and the Extended Services Policy.

15. Education Partly During School Hours

If 50 percent or more of the time spent on an activity occurs during school hours (including time spent travelling if the travel occurs during school hours), it will be deemed to take place during school hours and no charge will be made.

Whatever the start and finish times of the school day, regulations require that the school day is divided into two sessions. School hours will not include the break in the middle of the day.

If less than 50 percent of the time spent on an activity occurs during school hours, it will be deemed to have taken place outside school hours and the school may charge for the activity; however, the school will not charge if the activity is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.
Any charges for extended day services will be optional.

16. Residential Visits

The school will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.
- Supply teachers to cover for teachers accompanying pupils on visits.

The school may charge for board and lodging, but the charge will not exceed the actual cost. Parents will be offered a discounted rate for board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

The school will provide a form for parents to submit and provide proof of receipt of one of the above benefit payments in order to be eligible for the discount.

If the number of school sessions covered by the visit is equal to or greater than 50 percent of the number of half days (any period of 12 hours ending with noon or midnight on any day) spent on the visit, the school will not charge for the activity.

17. Damaged or Lost Items

The school may charge for the cost of replacing items that are damaged or lost due to the negligence or poor behaviour of pupils or their parents. Parents will only be charged the replacement cost to purchase the same or equivalent item. The school will consider waiving costs in exceptional circumstances, e.g. financial hardship.

18. Remissions

Please see the Trust Charging and Remissions Policy for further information on remissions.

19. School Trip Refunds

All initial deposits for school trips will be non-refundable. Parents will be informed of this when they are provided with initial information about the trip.

In the event that the school has to cancel a trip due to foreseen circumstances, parental contributions will be refunded.

In the event that a school trip is cancelled by a party other than the school due to unforeseen circumstances, it is at the school's discretion as to whether a refund is given to parents.

In the event that a pupil or their parents cancel the pupil's place on a trip, it will be at the school's discretion as to whether a refund is given. The school will take into account the reason for cancellation, whether the school will be reimbursed for the pupil's place on the trip, and whether the place on the trip can be offered to another pupil.

Where a pupil or their parents have previously cancelled a place on a trip and received a full refund, the school will have the right to refuse to allow the pupil to attend future trips and visits.

In the event that a pupil cannot attend a trip at the last minute, e.g. due to illness, it will be at the school's discretion as to whether a refund is given. The school will take into account whether the school will be reimbursed for the pupil's place on the trip and whether the place on the trip can be offered to another pupil.

In the event that a school trip is postponed due to unforeseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

In the event that the decision is made to postpone a trip due to foreseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

Once trip arrangements have been booked and confirmed, if contributions exceed the total cost of the trip, a refund will be given where the excess if greater than £1 per pupil.

The school will deal with cancellations and refunds on a case-by-case basis, ensuring that all pupils and their families are treated equally.

If a parent wishes to make a complaint about refunds, they will be able to do so via the Complaints Policy.

20. Income Generation

In line with the ESFA's ATH, the trust will set fees for chargeable services at full cost, and reserves the right to apply an additional rate of return when in a commercial environment.

21. Freedom of Information Policy and Publication Scheme

The school's Freedom of Information Policy and Freedom of Information Publication Scheme will set out where fees may be charged for the provision of information.

22. Lettings and Users of the Premises

The Governing Body has agreed a policy for Lettings Regulations & Conditions of Hire, please see Lettings Policy.

23. Equal Opportunities

The school is committed to the following:

- Opposing all forms of discrimination – individual and institutional, direct and indirect.
- Challenging all forms of discrimination about different groups in society.
- Translating good equal opportunities principles into all our policies and practice.
- Maintaining and developing an inclusive culture where every individual feels valued and
- aspires to succeed.

See Equality Policy.
